Queensland Ballet Academy 2021 Video Auditions Guidelines for the Academy Program

Queensland Ballet Academy is committed to using the following endorsed International Audition Pre-selection Guidelines.

Video Audition Specifications

To submit a valid video audition, ensure your video:

- Is a clear, good quality audio / visual recording (does not need to be professionally filmed / edited).
- Is no more than 15 minutes in total length.
- Contains recently recorded material, filmed as close to the submission date as possible and no more than four months prior.
- Contains practical demonstration of the material requested in each of the four sections below.
- Is saved as a digital file and clearly titled with your full name and the month and year of submission. (eg. Jane Smith Audition - June 2020).
- Is submitted as a digital link (eg. Vimeo or YouTube), directly into your audition registration form.

Filming Tips

- Use a tripod or stand to ensure a clear, stable image.
- Film in well-lit space, however avoid a bright background behind the dancer.
- Film from an angle that best compliments the dancer (eg. 45° angle).
- Ensure the dancer's full length is always visible (camera focused at waist height).

Section One: Physical Assessment

Spine Alignment

To demonstrate spine alignment - with your back to the camera, standing in parallel with feet slightly apart and legs straight, slowly roll down to touch your toes, and then slowly roll back up.

Audition Warm up Exercise

Please refer to the audition warm up exercise video found on the [auditions webpage](#).
