Queensland Ballet has created a series of flashcards for teachers of all year levels to use in their classroom activities.

Flashcards can be used in a range of ways including as:

- Support resources for Queensland Ballet activity suggestions found in Classroom Activity Sheets and Teacher Resource Kits accessible from the Queensland Ballet website.
- Support resources for teachers to utilise within their own devised units of study.
- Posters for the classroom.

This index provides teachers a reference point to ascertain which flashcards are used in the activity suggestions in Queensland Ballet's Classroom Activity Sheets available from queenslandballet.com.au/learn
