During each program, up to 15 students will participate in tours, panels, workshops and group activities in teams with other work experience students. Students will listen to presentations from various QB departments which may include Marketing, Wardrobe, Artistic, Training, Development, Production, Education and Engagement, Finance and Events. They will also work individually on administrative tasks from these various departments as well as in groups on a particular project from the Community Engagement team. Each day will be scheduled from 9am – 4 pm, with the exception of days that involve attending a performance.

Performance Highlights

During each week, students will have the chance to tour backstage of QPAC and attend one of QB's performances, which may include dress rehearsals depending on scheduling. Students in Week One will have the opportunity to attend *Dracula* on Wednesday 20 May at 12:30pm. Students in Week Two will have the opportunity to attend a *The Nutcracker* on Tuesday 15 December in the evening.

Cost

Successful students offered a position in QB's HSWER will be required to pay a small, non-refundable administration fee of \$120 (incl. GST) within one week of being invited to attend and to secure the applicant's place. QB will not be responsible for any associated costs incurred by applicants to participate in the residency including but not limited to accommodation, meals, travel, transfers, and accessibility requirements.

Food and Beverage

Time will be allocated each day for students to have a morning-tea and lunch break (and dinner when attending a performance of an evening).

Students are required to bring morning tea, lunch and a water bottle each day. Students may have the opportunity to leave the premises to buy lunch, ensuring they follow the procedure of signing in and out when leaving the premises.

There is a café in the Green Room of QPAC which students will have access to for dinner when attending an evening performance. Meals are affordable so students will not require much cash.

Transport

Students will generally not be permitted off QB's premises except for attending a performance at QPAC or to purchase lunch, as agreed with QB's Education Manager.

Students are required to provide their own travel arrangements and cover expenses for the forward and return journey to West End each day.

There are public transport options available from South Bank to West End including Bus and Ferry. More information regarding Brisbane's public transport system can be found at www.translink.com.au/

QB will also provide students transport between West End and QPAC to participate in the performance highlight, however students will be required to provide their own return transport from QPAC after the performance.

Accessibility and Dietary Requirements

QB is committed to ensuring all students have access to QB's HSWER. Where specific accessibility requirements are necessary to ensure the student's full participation, the HSWER Contact Teacher should discuss this with QB's Education Manager as part of submitting an application.

Supervision

QB provides an open, welcoming and safe environment for all children. We do this by being understanding of the needs of children, preventative rather than reactive and well-positioned to minimise risk to children.

All students will be suitably supervised by designated QB employees during the HSWER hours of 9 am – 4 pm, as well as during the one-off after hours performance highlight. The role of the supervisor is to provide regular monitoring and mentoring to ensure a safe and satisfying experience.

What to Bring and Wear

Students are required to bring a laptop or tablet to take notes and complete designated projects, both individually and in groups. QB will provide students with internet access while at QB's home base.

As students will be participating in and learning about QB's corporate and administrative departments and will be representing QB while at QB's home base and QPAC, students should wear comfortable, smart casual attire with closed in shoes.

Students will participate in a practical ballet history workshop and a ballet technique class and should bring relaxed comfortable clothing for these sessions. Further information will be provided once the schedule has been confirmed.

Application Process

Interested Year 10 – 12 students should individually complete the application form via: <https://www.queenslandballet.com.au/community/education/work-experience-and-internships/high-school-work-experience-residency>

The online application form will request the name of one teacher from each school who must be noted as the HSWER Contact Teacher. The role of the Contact Teacher is to endorse and approve the applicant, ensuring that key staff at the student's school are aware of their student's participation in the program, and that all responsibilities of the school are fulfilled.

Step 1: Application

When applying, students will be expected to provide contact details for their parent/guardian/caregiver, High School and nominated Contact Teacher. Students are also required to accept the Terms and Conditions which form part of this Pre-registration Pack.

Students will be required to complete the following sections:

- In 100 words, describe why participating in Queensland Ballet's HSWER will prepare you for your preferred career.
- In 100 words, describe what knowledge, skills and expertise you currently possess that will enable you to work both in a team and autonomously while undertaking activities at Queensland Ballet.

Step 2: Selection and Invitation

Students will be selected using the following criteria, where the assessor will seek a demonstration of:

- A knowledge of, and passion for, ballet.
- Clear communication skills.
- A breadth of experiences including extra-curricular activities and employment – paid or voluntary.

QB's selection for HSWER placement is final and will be based on how the student responds to the application referencing the criteria above. Preference will also be given to students enrolled in a Queensland Department of Education and Training education facility.

Selection may also be based on a combination of factors including but not limited to the number of applications received, the state/territory where the student is from (preference will be given to Queensland students), the year level of the student, the proposed structure of group activities and availability of QB team members in relation to the student's nominated preferred learning areas.

Students who are successful in being selected to be a part of QB's HSWER program will be notified by email. QB will also notify the nominated Contact Teacher. This initial invitation email will outline the next step in the process which once supplied will confirm the student's acceptance into the QB program.

Students who are not successful will not be notified but are encouraged to apply again.

Step 3: Further Documents and Payment

Successful students offered a position in QB's HSWER will be required to pay a small, non-refundable administration fee of \$120 (incl. GST) within one week of being invited to attend and to secure the applicant's place.

In general, each school's work experience policy will request that QB agrees to welcome the student and to follow legislation governing the host organisation's roles and responsibilities. Within one week of QB's initial invitation email, the student and/or Contact Teacher must submit to QB any forms/agreements/notifications and/or letters that require QB's signature and/or comments to endorse and finalise the work experience placement details. Where the state or territory does not have any official documents for QB to complete, a letter of agreement co-signed by the Contact Teacher and school principal must be received by QB.

The Queensland Department of Education and Training's Work Experience Agreement Form is accessible from www.education.qld.gov.au/students/placement/work/workex.html

Within one-week QB's HSWER Project Consent Form must also be returned to QB.

If required documents are not lodged and administration payment not made within one week of the initial invitation email, students will forfeit their position and the place will be offered to the next applicant on the waiting list.

Step 4: Acceptance

Once QB has received and processed all documents, applicants will be emailed to confirm acceptance, in a convenient and timely manner along with any forms/agreements/notifications and/or letters that required QB's signature and/or comments to endorse and finalise the work experience placement details.

An Information Pack with further information about what to expect while participating in QB's HSWER and program schedule will be emailed prior to the residency.
