

Travel Subsidies Information Pack

In 2019, Queensland Ballet (QB) will welcome more school students and classroom educators than ever before, offering tailored performances. The following matinee performances will be abridged and therefore durations will be approximately one hour and include a post-show Q&A, bringing your students one step closer to the beauty of ballet.

- Wednesday 22 May, 12.30pm – *The Masters Series*
- Thursday 29 August, 12.30pm – *Romeo & Juliet*
- Wednesday 13 November, 12.30pm – *Bespoke*

Making sure all students and classroom educators can enjoy QB is very important to us! In a special effort to make these matinee performances very accessible and meaningful for all Queensland classrooms, one-off travel subsidies are also available to help reduce the expense for students to attend the theatre.

For each student ticket purchased, QB will subsidise the cost of travel by \$10 (Inc. GST), up to a maximum of \$750 (Inc. GST) per school.

Application Process

Step 1: Book and Pay for Performance

A School Group Booking requires a minimum of 10 student tickets. For every ten student tickets bought, an additional accompanying teacher/supervisor ticket is added to the group, for free. Additional teachers/adults will be charged at the Concession rate and there may be transaction fees that apply.

School Group Bookings for all Brisbane performances can be made by calling Qtix Groups on 07 3840 7466.

Step 2: Apply for Travel Subsidy

Interested schools should individually complete the Travel Subsidy [Application Form](#).

When applying, schools will be expected to provide the professional contact details of the person who made the performance booking through Qtix. Other information requested will include:

- the name and role of the person nominated
- the address and phone number of the school or kindergarten the nominated person is employed by
- the education system of the school (state, Catholic or independent)
- the Queensland Ballet performance title, date and time that they have made a Group School booking for
- and number of student tickets bought.

Information regarding the travel arrangements (chosen by the school) will also be requested to assist QB to verify the process.

Step 3: Selection and Notification

QB will then cross-check travel subsidy applications with Qtix Groups. QB will notify successful schools by email. This email will indicate amount to be subsidised, calculated by QB at \$10 (Inc. GST) per student ticket, up to a maximum of \$750 (Inc. GST) per school.

QB's selection for travel subsidy is final, and will be determined via a first-in basis.

Step 4: Submitting an Invoice

Successful schools are required to email an invoice within one week from initial notification to QB via community@queenslandballet.com.au

Invoices require the following information:

- Date
- Invoice number
- Cost (Inc. GST) as indicated in previous QB email
- Description
- School title and address
- Phone and email contact details
- Bank Details (account name, bank, BSB and account numbers)

You may be required to provide school administration with the following company details:

- Title: Queensland Ballet
- Address: Corner Drake Street and Montague Road, West End, QLD, 4101

Australian Business Number: 26 009 717 079

If an invoice is not supplied to QB's Education Manager within two weeks of the school receiving notification of their success, the school will forfeit their position and the travel subsidy will be offered to the next school on the waiting list.

Step 5: Acceptance

Once QB has received and processed the travel subsidy invoice, the process will be considered finalised.
